Subject: RE: GoToMeeting Invitation - Haskell Lake Area Petroleum Contamination Site 3D CSM

Good Morning,

As agreed during the March 23rd EPA -Tribe facilitated technical meeting, and as the part of the technical facilitation by EPA's Tribal and International Affairs office, this meeting is dependent on Tribal Indian Office involvement. I didn't find the Tribal Indian Office on the meeting invite list. Prior to accepting the meeting invitation, Tribal Indian Office participation will need to be to be secured.

Kristen
